C.A.S.T.L.E. LARP Clean Up Policy

Version 1.5

Effective 2/1/2015

The Boy Scouts, Girl Scouts, and 4-H organizations are kind enough to rent campsites to C.A.S.T.L.E. LARP. It is important we maintain good relationships with these organizations if we wish to continue to do so. It is the intention of C.A.S.T.L.E. LARP to leave each campsite we utilize cleaner than it was found and this requires the aid of every player, PC and NPC alike, to accomplish this goal.

Every person on site is responsible for two types of cleanup before they leave site, even if leaving site early.

1. Personal Area Cleanup

Players are responsible for cleaning the area in which they slept and stored their personal gear during the event. This includes, but is not limited to:

- a. Packing and clearing one's own gear, clothes, costuming, phys-reps, bedrolls, etc.
- b. Making sure the area is cleared of trash and other debris and any trash is taken to the appropriate location.
- c. Sweeping the area.
- d. Mopping the area if appropriate (Cleanup Staff can advise if mopping the sleeping areas is necessary).
- e. Replacing any furniture or mattresses that have been moved during the course of an event into its original place.

2. Common Area Cleanup – Assigned by Cleanup Staff

Players are responsible for cleaning one common area used during the course of the event. This includes, but is not limited to:

- a. Packet sweeps in specific areas of the campsite.
- b. Tavern cleanup.
 - i. Helping the tavern keep pack up the kitchen.
 - ii. Cleaning tables.
 - iii. Sweeping the tavern area.
 - iv. Mopping the tavern area if appropriate (the Cleanup Staff can advise if mopping the tavern area is necessary).
 - v. Clearing trash and taking trash to the appropriate location
 - vi. Any furniture or equipment that have been moved during the course of an event is put back into its original place
- c. Packing NPC costuming, props, equipment, etc.
- d. Loading the C.A.S.T.L.E. LARP van or truck.
